

# RULES OF PLAY

- Renew your club membership or join if you haven't — **ONLY \$40 Individual, \$55 Family, \$30 Seasonal (less than 6 months)**
- Warm-up time is limited to 5 minutes. Then play a match. Best 3 of 5 to 11.
- If practicing instead of playing a match, the time limit is 20 minutes (including warm-up time). Then both players leave the table.
- A player is allowed two wins at one table. On a player's second win, both players leave the table.
- Any player can challenge any table by placing their paddle next to the challenged table. Please be courteous if they are in the middle of a game.
- If you are challenging a table, you cannot play on another table while waiting unless nobody is waiting to play.
- If no one is waiting to play, then you may play as long as you want.
- Start putting the tables away 15 minutes before quitting time!
- You must be OUT the front door five minutes before closing time.
- Training tables may be reserved for coaches.
- Chairs are available courtesy of the recreation facility. Bring some in from outside the club play area when needed, but when not in use cannot be reserved for a particular person or personal belongings.

**EVERYONE DESERVES THE OPPORTUNITY TO PLAY  
IT'S ONLY FAIR**
