2022 Good Life Games Doubles Registration Process

For greater efficiency in the Registration Process and simplicity in Data Input for everyone entering the Good Life Games to compete in any Doubles Competition (Men Doubles, Women Doubles, or Mixed Doubles) in 2022, we will use the following guidelines:

1) **DO NOT** consider yourself as being entered in the double's portion of any event simply by sending in YOUR Entry Form marked "need" or "left blank" in the space provided for "Partner's Name and Year of Birth (YOB)". Your Entry Form will be set aside (**NOT ENTERED**) until I receive your Partner's completed Entry Form with **all** the requested information.

2) It is your responsibility to find your own partner. On rare occasions someone else will send in an application marked "need" whereby I am able to connect the two of you (not often). Invariably, by the time I find you a partner, you will have also found one and I will have you registered with two different partners and those two different players will assume that they're registered to play that event with you.
