****Players may enter up to 2 events: 1 of the 2 morning events and 1 of the 4 afternoon events.**

****Players confident of their Championship Doubles status should remit the \$50 entry fee. Play in any rated division is determined by a team's combined USATT rating or estimated rating which will be determined by the tournament committee. The tournament committee reserves the right to place a team in a division that is different from the one selected if the team's combined rating or estimated rating indicates that a team's participation in a particular event would create a competitive imbalance.**

All Events are 10 team limited field events. The top 10 teams as determined by the player's combined USATT ratings or estimated ratings will be placed in the Championship Doubles and the next 10 highest rated teams as determined by the player's combined USATT ratings or estimated ratings will be placed in the Challenger Doubles and so on for the Intermediate and Beginners doubles.
